### Your Points!!!!

Jill is aware of all the issues with points this year. Underlying issue seems to be that the announcer's sheets are not accurate. She currently has a third party doing an audit on all 2011 points to date and they have found roughly 20 errors thus far that have been corrected. Once the audit is completed (which should be in the next 10 days) they will post to the website. **Please look them over along with work and meeting credits at that time and notify her immediately with any concerns.**

### September Treasurers Report:

**Beginning Balance \$25,559.73**

**Deposits \$47,146.94**

**Expenses \$35,786.48**

**Ending Balance \$36,920.19**

**There is a lot of information in the September Meeting Minutes so please be sure to take a minute and read through**
